

# Consulting Call

**One time fee of \$50**

## **OVERVIEW**

Rooted Sunshine offers multiple free resources that can be accessed and completed individually. Some of these free resources have an optional consulting call.

Currently the resources that allow for a consulting call option are:

1. Community 101
2. Podcasting 101
3. Training 101
4. Great Minds
5. Event Planning 101

For those that choose this option, Rooted Sunshine will provide one (1) 45 minute call designed to help you absorb the resource information, brainstorm, ask questions, and think critically about the specific resource you are engaged in. No topic is off limits.

## **GOALS**

1. For you to benefit from talking out loud with someone who is there to listen
2. For you to feel equipped with a framework to move forward
3. For you to feel confident in implementing resource tips in a way that meets your needs
