

Review

Two (2) Weeks - \$450

OVERVIEW

Rooted Sonshine will audit your outcomes, tools, or processes and provide empathetic feedback with strategies to improve.

GOALS

1. For you to have a clear understanding of success and roadblocks
2. For you to have the tools and information to improve
3. For you to feel empowered and confident

SPECIFICATIONS

Rooted Sonshine will tailor Project Review to evaluate your outcomes and can include surveys, focus groups, research, and more. Full payment is required after the Initial Meeting Milestone.

MILESTONES

Initial Meeting

This first one (1) hour meeting includes appreciation, boundary and goal setting, and strategy planning. Be prepared to explain your previous review process.

Progress

Rooted Sonshine will primarily work independently, but may reach out to collect additional information or work with your team to ensure goals are met.

Capstone Meeting

The final one (1) hour meeting revisits goals, celebrates success, and sets the path for future growth. It will include analysis, survey results, what went well, what can be improved upon, identifying future partners, clearly defining future roles.
